

# Orange Ave. Pipeline Improvement Project

## Orange Avenue Detour

Expect delays on Orange Avenue between Cecilville Avenue and La Crescenta Avenue due to the water main replacement project.

## INTERMITTENT STREET CLOSURE STARTS AUGUST 21, 2023.

The Orange Avenue and La Crescenta Avenue intersection, near Monte Vista Elementary School and Rosemont Middle School will be intermittently closed due to the water main replacement project. The construction zone and temporary street closure will begin on Monday August 21, 2023\*\* and will continue until complete or Tuesday, September 12, 2023\*, whichever comes first.

Delays are expected during work hours only. The street will reopen after each work day and on weekends. The detour will be in effect from 7:00 a.m. through 5:30 p.m. daily, Monday through Friday .

Please plan for delays and detours to arrive at your school on time. Use the attached detour map to plan your commute. Keep safety in mind throughout this inconvenience and look out for other drivers and pedestrians.

\* All schedules are subject to change due to weather or other circumstances.

\*\* Temporary Pedestrian Access Routes will be marked and will change with each section of water main installation.

Crescenta Valley Water District, 2700 Foothill Blvd. La Crescenta, CA, 91214, 818-248-3925
