

CA Friendly Landscape Classes

Glendale Water and Power and Crescenta Valley Water District are offering free CA Friendly Landscape Classes to residents in the Glendale/La Crescenta areas who wish to learn more about efficient irrigation practices, CA Friendly plants, and techniques to help save water outdoors.

To register for a class, and to review class dates, please complete the form at the following web address.

<http://www.glendaleca.gov/government/departments/glendale-water-and-power/residential-customers/ca-friendly-landscape-classes>

Space is limited and available on a first-come, first-serve basis. Please contact Andres Azarian at Glendale Water and Power at 818-548-2789 or Natalie Bellissimo at Crescenta Valley Water District at 818-248-3925 with any questions.

Class location will be provided one week prior to the class date via email.
