

VOLUNTEER APPLICATION FOR COMMUNITY ADVISORY COMMITTEE

Purpose: A volunteer Community Advisory Committee (CAC) has been established to provide customer perspective on various items of District business, including by not limited to:

1. Long-range strategic planning
2. Financial planning
3. Community outreach

The goal of this volunteer committee is to obtain feedback and input on a variety of issues while encouraging and coordinating public participation in the District's decision-making process. This is an invitation to add your voice through the committee.

Commitment: Individuals selected to serve on the Community Advisory Committee will be expected to attend scheduled meetings and gather input from other members of the community between meetings.
